

## **Conditions meeting eligibility criteria for CarepointMD care navigation services by CCM guidelines**

### **Autoimmune/Immune Conditions**

- Human immunodeficiency virus and/or acquired immunodeficiency syndrome (HIV/AIDS)
- Viral hepatitis
- Multiple sclerosis
- Transverse myelitis
- Hypothyroidism
- Systemic lupus erythematosus
- Type 1 Diabetes
- Guillain-Barre syndrome
- Myasthenia gravis
- Scleroderma
- Graves' disease

### **Blood Disorders**

- Acute myeloid leukemia
- Lymphomas
- Leukemias
- Sickle-cell disease
- Anemia
- Hyperlipidemia

### **Cancer/Oncology Conditions**

- Breast cancer
- Lung cancer
- Prostate cancer
- Colorectal/Intestinal cancer
- Leukemias
- Lymphomas
- Endometrial/Uterine cancers
- Benign tumors
- Renal cancer
- Thyroid cancer

### **Cardiovascular Conditions**

- Hypertension
- Ischemic heart disease
- Acute myocardial infarction
- Congestive heart failure
- Atrial fibrillation
- Heart Failure
- Coronary artery disease
- Sick sinus syndrome
- Angina
- Peripheral vascular disease (PVD)

- Stroke / Transient Ischemic Attack
- Atherosclerosis
- Pulmonary Hypertension

### **Ear, Nose, and Throat Conditions**

- Sleep apnea
- Tinnitus
- Vertigo
- Hearing loss - conductive or sensorineural
- Deafness
- Esophagitis (with reflux)
- Chronic laryngitis
- Chronic sinusitis
- Chronic headache
- Dysphagia
- Chronic otitis media
- Laryngopharyngeal reflux
- Chronic pharyngitis
- Snoring
- Allergic rhinitis
- Dizziness
- Unsteady balance
- Meniere's disease

### **Endocrine Conditions**

- Hyperthyroidism
- Hypothyroidism
- Endocrine Neoplasia
- Graves' disease
- Thyroid Cancer
- Hyperparathyroidism
- Diabetes
- Osteoporosis
- Metabolic diseases

### **Gastroenterological and Related Organ Conditions**

- Irritable bowel syndrome
- Crohn's disease
- Ulcerative colitis
- Cirrhosis
- Liver diseases
- Cystic fibrosis
- Metabolic developmental diseases
- Diabetes
- Diverticulitis
- Hypertension
- Renal Cancer

- Diabetes

### **Neurologic, Mental Health and Psychiatric Conditions**

- Alzheimer's Condition
- Dementia, associated illnesses, or Alzheimer's Disease
- Depression
- ADHD
- Post-traumatic stress disorder (PTSD)
- Anxiety disorders
- Depressive disorders
- Autism
- Schizophrenia and other psychotic disorders
- Bipolar disorder
- Traumatic brain injury and nonpsychotic mental disorders due to brain damage
- Migraine and chronic headaches
- Cerebral palsy
- Epilepsy
- Parkinson's disease
- Chronic headache (Migraines)
- Spinal palsy
- Neuropathic pain
- Phobias

### **Orthopedic - Bone, Joint, Spine or Muscle Conditions**

- Osteoporosis
- Rheumatoid arthritis
- Osteoarthritis
- Hip/Pelvic fracture
- Back pain
- Rotator cuff issues
- Shoulder pain
- Fibromyalgia
- Spinal Cord injury
- Spina bifida - Congenital abnormalities of the neurological system
- Muscular dystrophies
- Pressure ulcers (ongoing issue)
- Chronic pain

### **Respiratory Conditions**

- Asthma
- Chronic obstructive pulmonary disease (COPD)
- Emphysema
- Cystic fibrosis
- Chronic bronchitis
- Pulmonary fibrosis
- Sleep apnea

**Substance Use Disorders**

- Alcohol dependence disorders
- Opioid dependence disorders
- Nicotine dependence
- Other drug use disorders

**Urology/Nephrology Conditions**

- Chronic kidney disease
- Benign prostatic hyperplasia
- Cystitis/kidney cysts
- Recurrent urinary tract infections (UTIs)
- Sexual dysfunction

**Vision/Eye Conditions**

- Cataracts
- Glaucoma
- Diabetic retinopathy
- Age-related macular degeneration

**Additional General Chronic Conditions**

Other conditions that affect various parts of the body and qualify for CCM include:

- Developmental and learning disabilities
- Intellectual disabilities and related conditions
- Liver disease
- Cirrhosis
- Blindness/Visual impairment
- Meniere's disease and other sources of hearing loss
- Obesity
- Diabetes
- Hyperlipidemia
- Alcohol Abuse Disorders
- Addiction to Opioids
- Nicotine Use
- Other Drugs Use Disorders
- Limitations to Mobility
- Opioid abuse and dependence
- Other psychoactive substance abuse and dependence
- Sleep disorders
- Gout
